

Notes on Accredited Membership

There are two routes to BASRT accreditation:

1. **Category One:** for those who have successfully completed a BASRT approved course. Some applicants may be eligible for UKCP registration (see notes below).

Within Category One, there are two divisions:

- a. Applicants who have successfully completed a two-year or three-year BASRT approved course. This can lead to BASRT accreditation but not normally to UKCP registration. Click here for [criteria](#) and [application form](#).
 - b. Applicants who have successfully completed a four-year BASRT approved course at Masters level. This can lead to BASRT accreditation and UKCP registration. Click here for [criteria](#) and [application form](#).
2. **Category Two:** for those who have not undertaken a BASRT approved course. Applicants are not normally eligible for UKCP registration. Click here for [criteria](#) and [application form](#).

Please note that documents are subject to review and renewal.

- Your request for BASRT Accreditation should be made in writing to the Chair of the Assessors Panel.
- You can apply under either Category 1 or Category 2. There is a separate application form for each type of accreditation. Please complete the correct form.
- The completed documentation (plus requested copies) and the processing fee of £100 sterling made payable to BASRT should be returned to the Chair of the Assessors Panel.
- The Assessors Panel will consider the application and make a recommendation to the Professional Standards Board.
- If your application for Accreditation is rejected and you wish to Appeal, write to the Chair of the Assessors Panel requesting details of the Appeals Procedure.
