The training day will include lunch and will run from 10.00am to 4.00pm.
Registration from 9.30am.

THE IMPACT OF LONG TERM ILLNESS ON A COUPLE'S INTERACTION AND SEXUAL FUNCTIONING

Presented by Michael Stock

Tuesday 5th October 2010

The Library, The Royal Foundation of St Katharine's, 2 Butcher Row, London, E14 8DS

The course is aimed at psychosexual therapists and couple counsellors who may work with couples where one partner has a chronic physical or mental health condition but they have had little or no recent training specific to this work

TERMS AND CONDITIONS

Fees: The full fee for each workshop is £115 for BASRT members and £125 for non-members. Cheques should be made payable to BASRT in GB sterling. Payment must be received by BASRT before the course.

Receipts: A receipt will be sent along with your booking confirmation and details of the venue.

Cancellations: Cancellations must be made in writing. There is an administrative charge of £20 per person for cancellations received up to six weeks prior to the training day. Thereafter no refund is possible. To substitute a delegate, please call (0208 543 2707) at least seven days prior to the event.

Indemnity: BASRT reserves the right to change the venue or speakers due to unforeseen circumstances. In the unlikely event of a training day being cancelled, a full refund will be made, but BASRT disclaims any further liability.

BOOKING FORM, please return to:

Tricia Evans, Flat 4, Astwood Place, 6 Whitepost Hill, Redhill, RH1 6AN (Tel: 07930 657510)

Please enrol me on 'THE IMPACT OF LONG TERM ILLNESS...' (5th October 2010)

TRAINING DAY

THE IMPACT OF LONG TERM ILLNESS ON A COUPLE'S INTERACTION AND SEXUAL FUNCTIONING

Presented by Michael Stock

Tuesday 5th October 2010

The Royal Foundation of St Katharine's, 2 Butcher Row, London, E14 8DS

AIMS

- To consider the impact on a couple when one partner has a long term physical or mental health condition
- To explore ways of working with the couple to manage this impact, with particular reference to the couple's sexual functioning.

OBJECTIVES

- To identify the likely impact of a chronic (long term) physical or mental health condition on an individual's ability to relate to their partner emotionally and sexually
- To identify the likely impact of the condition on the well partner
- To understand how the couple can distinguish between the role of external specialist support and their own resources for managing the impact of the condition
- To explain how the couple can improve their ability to manage the impact of the condition
- To demonstrate how solution-focussed brief therapy techniques can enhance the couple's ability to manage the impact of the condition

PROGRAMME

9.30	Registration and coffee
10.00	Overview of relevant conditions and the effect on the sufferer
11.00	The likely impact on the partner and comparison with sexual abuse
11.30	Coffee
12.00	Management strategies and links with external agencies
13.00	Lunch
14.00	Communication strategies.
14.45	Tea
15.00	Applying Solution Focussed Brief Therapy techniques to managing the impact of the condition on the couple's functioning.
15.50	Review of the day
16.00	Close
